Representative Reports

New Business

Old Business

Gender Neutral Language

- Ory: Bringing a vote to changing our constitution and bylaws to create more gender neutral language, purpose is to make sure all students can identify to the honor documents.
- This bylaw change is one of four changes

- 1. Change bylaws to reflect gender inclusive language
- 2. Proposing amendments for Constitution to reflect gender inclusive language
- 3. Change language on honor working documents (ex. IR letter)
- 4. Continue training for committee and support officers
- Thank you to QSU, QMD, Lambda, Pride at Darden for their help in constructing the language
- Vote next week

Popular Assembly

- Meeting with Mike Lenix this past Friday 10/13 mainly on the mock hearing
 - Support officers will take normal support officer roles as well as reported student, reporter and any other witnesses
 - All people will face the audience who are the panelists for the honor case
 - Idea is hour of hearing procedures, 30 minutes for deliberations, and then 30 min of debrief about it
- Conversation and key talking point in committee is working now on making a mock case that can create strong conversation about the criteria and nature of the case
- See above for dates for each event of the popular assembly
